OSEP Leadership Conference

July 30 - August 1, 2012
Washington, DC

The 2012 OSEP Leadership Conference (previously named the OSEP Mega Leadership Conference) will support better outcomes for infants, toddlers, children and youth with disabilities and their families by providing opportunities for key leaders and partners to interact with Department staff and OSEP-funded technical assistance providers.

State Part B Directors, Part C Coordinators, Parent Center leaders, and State Part B and Part C Data Managers will enhance their leadership roles through opportunities to hear from experts in the field and to learn about evidence-based practices that will support participants' ability to improve results for infants, toddlers, children and youth with disabilities and their families.

The conference is designed for:

PTIs, CPRCs, and PTACs; State Part B Directors of Special Education and staff; State Part C and Section 619 Coordinators and staff; State ICC Chairs; and Parts B and C IDEA Data Managers responsible for submitting 618 Data. Others are welcome to attend.
